

Call for Papers

Journal of Asian Concrete Federation (ACF Journal)

ISSN 2465-7964, eISSN 2465-7972

DOI: 10.18702/acf

The Journal of Asian Concrete Federation (ACF Journal) is a peer reviewed international journal published by Asian Concrete Federation (ACF). The main objective of ACF Journal is to provide a platform for exchange of most up-to-date knowledge for international scholars in the area of concrete, reinforced concrete and prestressed concrete related research.

Asian Concrete Federation (ACF) is an international concrete institute with twelve member institutes including Australia, China, India, Indonesia, Japan, Korea, Mongolia, Russia, Thailand, Taiwan, Singapore and Vietnam.

ACF Journal publishes original research papers, review papers, and technical reports by ACF committees in the following areas: Concrete structures; Concrete materials; Maintenance, monitoring, repair and strengthening; Sustainability; Construction and engineering; Recent concrete research and related topics.

ACF Journal is now inviting papers for Vol. 6 No. 1, which is scheduled to be published on June 30, 2020. Last date of submission is March 1, 2020.

For submission of your paper, please use on-line submission portal at **<http://acoms.jams.or.kr>** or send your contribution directly to the Editorial Board of ACF Journal using the following e-mail address: **acf.acoms@gmail.com**

Each paper published in ACF Journal is assigned a DOI number. A set of forms used to submit manuscript(s) for ACF Journal, such as cover letter, title page, manuscript template as well as instructions to authors, can be downloaded from the following ACF homepage:

<http://www.asianconcretefederation.org>

Full text of ACF Journal can be viewed and downloaded free of charge from the following URL:
